Product's highlights & user's benefits

Excellent industrial grade protection in a contemporary angular wrap style and with wide field of vision.

Unique, lens and frame ventilation slots allows air to vent, to minimize fogging.

Adjustable length drop temples that gently "hook" behind the ears to prevent slipping during work activity.

Soft, self-fitting rubber nose bridge conforms to a wide range of bridge sizes to enhance comfort and a secure fit.

99.9% UV Protection
